and have any questions answered by  
a GraniteCrete representative!

Food & drinks will be provided.

## What is GraniteCrete?

GraniteCrete is a decomposed granite stabilizer that is:

- Porous, eliminating surface puddling
- Durable and sturdy, lasting well over 15 years
- Accessible and ADA-compliant
- Environmentally-friendly, free of oils, resins, polymers, and enzymes
- Naturally rodent- and weed-resistant
